

# Staten Island Academy

## Summer Institute for the Gifted

### Schedule of SIG Day Program Courses

This table lists the courses offered at Staten Island Academy's Summer Institute for the Gifted. All course descriptions are on the preceding pages. Please select your first six choices. Then write the course title in the appropriate place on the attached application. Although a very high percentage of the courses will run, we cannot guarantee a given course will run. If a course is under enrolled you will be notified in a timely fashion.
