Staten Island  
Academy

# Welcome to our Academy family!

Staten Island Academy Day Camp is a fun-filled experience for all of our campers. Every year, the Day Camp staff plans exciting daily activities that will surely have your child looking forward to summer even more! Staten Island Academy Day Camp is like no other and each day is full of time for fun and learning. There is always something to do on campus; playing sports and games on the fields, participating in a discovery Science class, or cooling off from a summer day in our outdoor pools. Our goal is for each and every camper to walk onto our campus with a big smile and to end each day with memorable stories and enthusiasm for the next day's events.

Here at the Academy, we strive to provide our camp families with peace of mind that comes with sending your child to our camp. In addition to all the fun we promise, our well trained, qualified, highly screened, and professional staff of counselors, lifeguards, security, and administrators ensure all campers have a safe and enjoyable summer. Staten Island Academy's beautiful 12-acre campus allows our campers to have a variety of different experiences as they attend camp each day. Our air-conditioned indoor spaces include classrooms, theater, art room, computer lab, science room, gymnasium, and a game room. The outdoor spaces on our campus include soccer, baseball and softball fields, a gaga pit, and two outdoor swimming pools. Staten Island Academy Day Camp is truly a place for children to learn, grow and have fun! In addition, staff communicates with families on a regular basis to ensure that all camp families are well-connected to our community.

Our Day Camp staff is here to welcome you and your child to our camp family and to make sure that each day of your child's summer is filled with activities, events, and experiences that will ensure an unforgettable summer.

Please join us at one of our Open Houses, email us, or give us a call. We look forward to seeing our returning family and adding new members to our family this Summer!

## SWIM PROGRAM

Two swim periods, except Giants and Super Seniors, who will swim once, are built into every camp day! We are an authorized Red Cross Learn-to-Swim (LTS) Program provider. The LTS Program focuses on water adaptation, stroke development and safety skills. It is designed to help students advance through swim levels at their own pace, mastering the skills in one level before advancing to the next. Each level of LTS includes training in basic water safety and helping others in an emergency, in addition to stroke development. Our experienced American Red Cross certified water safety instructor and staff of certified lifeguards will supervise the program. All campers have the option to attend group instructional swim. Group instruction is a great tool to aid in the development of each camper's swim ability. Fridays and all afternoons are free swim. For more information on the swim program, please contact the camp office at 718 303-7845 or [siasummercamp@statenilandacademy.org](mailto:siasummercamp@statenilandacademy.org).

## DANCE AND CAMP SHOW

Take some music and movement, throw in some gymnastics, add a touch of funk and a ton of energy, and you get the full experience of our dance instructors and campers at Dance! The program culminates in the annual Camp Show, which will be held Thursday, August 10, 2023. Families will receive more information about the camp show during the summer. Make plans to be there for the standing ovations!

“There is no other place my children want to be each and every summer than Staten Island Academy Day Camp!” -Camp Parent

### DISCOVERY SCIENCE

Our older campers get a chance to take a break from the heat in our arcade style game room. The Game Room consists of a variety of games such as Pac-Man, Air-hockey, and foosball.

In our air-conditioned, monitored computer lab, all our campers get to take a break from the heat and enjoy the use of our computers. Don't worry - we help our campers safely find their way through cyber space!

### Playground/Turtle Beach

The playground provides a space for our youngest campers to explore and learn. Turtle Beach allows our campers an opportunity to cool down and play with their favorite water tables and sand turtles.

### Ga Ga Pit

It takes coordination, concentration and quick action to play this fast-paced, Israeli-style, dodge ball game that is a perfect fit for our smallest to our tallest campers!

# Camper Groups

All full-day campers swim twice a day, except Giants and super seniors, who will swim once, have full use of our campus, attend weekly specials, participate in special events and activities and receive hot lunch every day! Our Giants and Super Seniors are co-ed groups with the rest being divided by gender.

## GIANTS (3, 4 AND 5-YEAR-OLDS)

## ADVENTURE/COUNSELOR-IN-TRAINING PROGRAM (GRADES 9 AND 10)

This program is an exciting opportunity for young people to experience the joys of attending trips while also training to become a counselor. This unique opportunity is a blend of on campus and off campus opportunities. Whether it is a trip or a day with the Giants, each camper's day will be unique. Each camper will attend weekly workshops to teach and reinforce skills and strategies necessary for CITs to advance to a Junior Counselor staff position. CITs will be evaluated at the end of each week. Performance during their training session will be a factor in determining if and when they are ready to start work as a Junior Counselor. Employment as a Junior Counselor is not guaranteed, but we work with all CITs to support them during training if it is their goal.

Classes are interactive and designed to help bright students explore interesting subjects. Topics in the sciences, technology, math, humanities and the arts are explored in a deep, creative way. In addition to the academic offerings, students have time each day to swim in our outdoor swimming pools, play on the fields or playground and participate in other regular day camp activities.
