It is Difficult to Believe that
THE BEST IS YET TO COME!

A LETTER FROM DIRECTOR OF DEVELOPMENT

Teresa Pelosi

For the past several years, we have marveled at the generosity of our Board of Trustees, Current Families, Alumni, Faculty & Staff, Grandparents, Alumni Parents and Alumni Grandparents, Students, Foundations and Friends of the Academy.

In order to maintain our margin of excellence, we must set ambitious goals for our Annual Fund. The Annual Fund proceeds not only help us continue to have the most rigorous and competitive academic programs, they help us to attract the most qualified faculty as well. It also contributes to expanding our student-based service to the larger community and enhances extra-curricular activities, just to name a few.

Not only did we exceed that goal, other generous supporters of the Academy have established new funds and endowments that support partial financial aid scholarships for students who excel academically, who selflessly serve others, and who are of high character.

Our donors understand philanthropy and understand Annual Fund giving as a fact of life at all independent schools, regardless of the size of their endowments. Our Development Office does its best to find fun ways for our constituents to give. In October 2016, we hosted the inaugural Tiger Golf and Tennis Classic at the Richmond County Country Club, chaired by Nelson Minier, Bharath Sithian ’04, Alessandra and Michael Bush ’87 and Vincent Malerba and Irina Constantine Malerba. Despite a last minute change of date because of inclement weather, it proved to be a great event and was well-received. The guests were eager to sign up for the 2nd Annual Tiger Classic.

Each spring, Staten Island Academy hosts its annual benefit auction, and March 2017 truly was a Hot Night in Havana. Co-chairs Grace Acquafredda and Elizabeth Bifulco, along with their amazing committee members turned the Vanderbilt at South Beach into Cuba circa 1950. It was an event that will not be soon forgotten. More than 275 guests participated helping contribute close to $200,000 to the 2016-17 Annual Fund.

As a longtime volunteer and Parent, now an employee at Staten Island Academy, I can’t thank each and every one of you enough for your generosity and dedication to SIA and ultimately to the children.

Because of you, the Academy is poised to have a watershed moment, and yes, the best is yet to come!

Thanks to all of our generous donors we have surpassed our 2016-17 Annual Fund goal of $400,000!

“My children are receiving a well-rounded education and are free to speak their minds instead of conforming or being stifled. They have the benefit of a small school being a second family in a safe environment where most families know each other.”
They have teachers and staff that have open doors to hear them when they need to speak and give them extra help in courses when they want it. You will never find teachers more dedicated to their students. Even when students are shy, they learn to embrace public speaking. My children are enjoying their academic experience. Because of this, they will be lifelong learners. They are happy to go to school every day and take pride in their own success.”

SENIOR CLASS GIFT
2017

Each year the parents of the graduating class are asked to make an additional annual fund contribution that represents that graduation year, in this case $20.17.

The class is asked to vote on a gift to leave on the campus. The Class of 2017 decided on a paver for the new front circle walkway. They will forever be known as our “last 90’s kids.”
