

SUMMER
DAY CAMP 2018

June 11-August 17

It's time for Summer Camp!

Welcome to our family.

Yes, FAMILY. Staten Island Academy Day Camp is a big, fun-filled family experience and we are so pleased to have you become a part of it!

We have big plans for your child's summer. They include plenty of smiles and laughter brought on by cotton candy, swimming, friends, rides, rockets, costumes and maybe some snow. Your children will bring home projects and dance moves. They'll make ice cream and memories. They'll search for hidden treasure and brave a haunted house. Your children – our campers – will make friends, exercise their mind and body and focus on only one thing – having a carefree summer. It's our goal to have every camper start their day smiling as they enter our gates and end their day with "That was the best day ever. I can't wait to come back tomorrow!" Then, we've done our job.

We strive to achieve that goal each summer by providing you with the peace of mind that comes with knowing our well-trained, qualified, highly-screened and professional staff of counselors, lifeguards, security and administration are here to welcome you and your child and make sure that you all have the best summer ever. We want happy campers and satisfied parents. For that reason we're focused on making sure your child's day is filled with activities, events and experiences that are new and enriching. We're also focused on making sure our parents feel well-connected and confident in the knowledge that while your children are here, they are safe, secure and appreciated. Every family that comes to camp becomes a part of our FAMILY. Our campers grow up here. It's what makes our camp special. We know what makes campers happy because our staff hasn't just been trained in it – they've lived it.

Talk to our staff at an Open House or call and speak to us. We're a big family, but we never run out of smiles, hugs or time for new members.

Welcome to the family!

Staten Island Academy offers individual instruction in many academic areas during day camp hours. Our teachers are here on site to offer remedial support or supplemental work during the time your child attends camp. A camper can leave the group for an hour, take care of academic work and then immediately return to their friends and activities! Whether the program is tailored to a specific goal or discipline or your child wants to be supported through their summer reading assignments, we are here to assist in any way we can. Please contact Jaime Savino, Director of Summer Tutorials, at jsavino@statenislandacademy.org or call the Summer Program office at 718 303-7845.

PRIVATE SWIM LESSONS

Individual lessons in swimming can be arranged with our Red Cross certified instructors. Lessons are given after camp hours. Fees for swim instruction, which are arranged on a first-come, first-served basis, are \$30 per half hour. Please call the Summer Programs Office for more information at 718-303-7845.

TRANSPORTATION

Round trip, door-to-door transportation is available at an additional cost. See page 11 for Transportation Rate Schedule. Please check the appropriate space on the Summer Camp Application if you are interested in using this service. You will be notified by the bus company during the week prior to your child’s start of camp as to approximate pick-up and drop-off times. Registration for transportation is fixed each Wednesday of the week prior.

COOL CAFETERIA – HOT LUNCH!

Hot lunch is included for every camper. A hot lunch schedule will be provided in the Parent Guide you receive at registration. If hot lunch is not for your child, we also have cold options like PB&J and cheese sandwiches. Fruit, drinks and salads are available daily as well.

EXTENDED DAY

As a service to our working parents, we offer an Extended Day program for all campers. This well-supervised, Board of Health certified program is designed to provide a relaxing environment for those youngsters who need to be dropped off before the regular camp day begins or stay after the regular camp day ends. Any camper not picked up by 4 PM must join the Extended Day Program. Extended Day is billed bi-monthly at a rate of \$10 per hour, \$6 per half hour (or any part thereof). Campers remaining beyond 7 PM will be charged \$1/minute. The morning session runs from 7 AM to 9 AM; the afternoon session, 4 PM to 7 PM.

HEALTH SERVICES A nurse is on site during the camp day. Any prescription medications to be administered to the students during the day are to be left with the nurse and administered solely by the nurse. Unless the nurse authorizes it, students may not keep any medications with them.

“Top notch camp with wonderful activities for all ages and an outstanding staff!” -Camp parent

So what will your kids do here every day!

Our program is designed to have something for everyone, from the most athletic to the most creative camper.

Arts & Crafts

All of our campers get their hands dirty with original and fun art projects all summer long. They might sculpt, paint, draw or bring home a three-dimensional hanging monster.

Dance and Camp Show

Take some music and movement, throw in some gymnastics, add a touch of funk and a ton of energy, and you get our experienced dance instructors and campers at Dance! The program culminates in the annual Camp Show, which is being held Thursday, August 16, 2018. Two shows are scheduled, and more information is given out during the summer. Make plans to be there for the standing ovations!

Discovery Science

How do you make a rocket? What do turtles eat? Want to make your own ice cream? All campers get to experience and learn all this and more with our hands-on science program led by Mr. Clay Wollney.

Computer Lab

In our air-conditioned, monitored computer lab, all our campers get to take a break from the heat and enjoy the use of our computers. Don't worry - we help our campers safely find their way through cyber space!

Swim Program

Two swim periods are built into every camp day! We are an authorized Red Cross Learn-to-Swim (LTS) Program provider. The LTS Program focuses on water adaptation, stroke development and safety skills. It is designed to help students advance through swim levels at their own pace, mastering the skills in one level before advancing to the next. Each level of LTS includes training in basic water safety and helping others in an emergency, in addition to stroke development. Our experienced American Red Cross certified water safety instructor and staff of certified lifeguards will supervise the program. All campers have the option to attend group instructional swim. Group instruction is a great tool to aid in the development of each camper's swim ability. Fridays and all afternoons are free swim.

For more information on the swim program, please email Joanne Calvanico, Waterfront Director, jcalvanico@statenilandacademy.org or call the Summer Programs Office at 718-303-7824.

Weekly Events

If you've had a camper at Staten Island Academy Day Camp, you're probably very familiar with the terms "Super Soaker Day," "Halloween in July" and "Color Wars!" If it's your first time with us, get ready to hear about these events and so much more! See the Camp Calendar for full details.

Game Room

Our older campers get a chance to take a break from the heat in our game room featuring some "classic" standards like Pac-Man and some new favorites as well.

Tennis Courts, Gymnasium and Fields

How about some tennis, soccer, wiffle ball, football, basketball, softball or kickball? Don't forget European Handball! Not sure what that is? Join us, and you'll find out! The Academy's 12-acre campus is open to our campers for all this and more!

Ga-Ga Pit

It takes coordination, concentration and quick action to play this fast-paced, Israeli-style, dodge ball game that is a perfect fit for our smallest to our tallest campers!

Traverse/Climbing Wall

The rock wall provides an exciting challenge for our campers. Your child will have a blast in an industry standard, safe, supervised environment, while improving strength, flexibility, endurance, balance and even memory.

Camper Groups

All full-day campers swim twice a day, have full use of our campus, attend weekly specials, participate in special events and activities and receive hot lunch every day! Our Giants and Super Seniors are co-ed groups with the rest being divided by gender.

Giants (3, 4 and 5-year-olds)

Giants have complete use of our Early Childhood facility. Certified teachers organize the day's activities. (Please note: 5-year-olds who will be entering Grade 1 in September 2018 will be placed in the Juniors Division.)

Giants – Half-Day Program

You can choose either the morning (9 AM - 12 PM) or afternoon (1 PM - 4 PM) program. We provide lunch in the morning program and a snack in the afternoon program. All campers will attend one swim session and will be supervised by our same experienced staff of certified teachers.

Junior Girls and Junior Boys (Entering Grades 1 and 2)

Intermediate Girls and Intermediate Boys (Entering Grades 3 and 4)

Senior Girls and Senior Boys (Entering Grades 5 and 6)

Super Seniors (Entering Grades 7 through 9)

Counselor-in-Training Program (Grades 9 through 11)

The Counselor-In-Training (CIT) Program is an exciting opportunity for young people to work alongside experienced camp staff while receiving important training in areas such as supervision, boundaries, taking initiative, sensitivity, communication, teamwork and how to handle themselves in difficult situations. Weekly workshops will teach and reinforce skills and strategies necessary for CITs to advance to a Junior Counselor staff position. Each session lasts two weeks, and CITs will be evaluated at the end of each session. Performance during their training session will be a factor in determining if and when they are ready to start work as a Junior Counselor. Employment as a Junior Counselor is not guaranteed, but we work with all CITs to support them during training if it is their goal.

Weekly Trips for Seniors and Super Seniors

Seniors and Super Seniors eagerly anticipate trip days when they travel off campus seeking fun and making memories! Our experienced staff always accompanies campers. A complete trip schedule will be available in March, and a signed permission slip and completed medical form MUST BE ON FILE prior to trip day.

Club Getaway Overnight Experience – \$425

Once again, we will be offering our oldest campers, those entering Grades 6-9, a fabulous, fun opportunity for an overnight trip to Club Getaway in Kent, Connecticut. Supervised by the same camp staff you have come to trust, campers will travel by coach bus, leaving on Tuesday, July 24 and returning at approximately 7 PM on Wednesday, July 25. Campers will get to experience all Club Getaway has to offer including a DJ dance party, waterslide, zip-line, bonfire, climbing wall, mountain hikes, water trampoline and so much more. Don't miss out on this special opportunity!

Specialty Camps

In addition to our Summer Day Camp, we host enrichment programs to enhance your child's summer experience. Whether their interests lie in academics or athletics, we have a program to suit every camper. All full-day summer programs include hot lunch in our air-conditioned cafeteria and a daily "cool off" period at our two highly supervised swimming pools. For more information on any of these programs, please visit our website www.statenislandacademy.org/camp or feel free to contact us at 718-303-7845.

Ed has been instructing the game for more than 20 years and is an internationally ranked player. Beginners and advanced beginners will receive extensive instruction in fundamental stroke production and basic strategies. Fundamentals are reinforced in drills, fun games and in singles and doubles competition. Intermediate players will work on making shots more reliable and effective. Engineering Using LEGO®

July 30-August 3

August 6-August 10

We're so excited to partner with Play-Well TEKnologies to bring this dynamic program to camp this summer! Open to campers entering Kindergarten-Grade 6, this program will teach engineering, math, technology and more, all while the kids are just having fun! Engineering Using LEGO® is a 3-hour program that consists of an introduction, two projects and free time. The program is designed to develop and enhance problem-solving and critical thinking skills, introduce the concepts and vocabulary of engineering, architecture and physics, and encourage creativity and self-expression. You may choose to register for the 3-hour program only or add wrap-around summer camp to give your child a full day that includes swim, lunch, trips (for campers entering Grades 5 and 6) and much more.

Pricing:

Half-day Engineering Using LEGO® only: \$375/week

Full-day with summer camp wrap-around: \$600/week

(Full day is 9 AM-4 PM.)

Talented and Gifted TAGCamp July 9-27, 2018

TAGcamp is the Talented and Gifted Summer Program at Staten Island Academy. TAG campers take part in three class offerings each day. Classes are interactive and designed to help bright students explore interesting subjects. Topics in the sciences, technology, math, humanities and the arts are explored in a deep, creative way. In addition to the academic offerings, students have time each day to swim in our outdoor swimming pools, play on the fields or playground and participate in other regular day camp activities. TAG campers exhibit their talents in many ways. Some are gifted mathematicians and others are gifted writers or musicians. Research has shown that talented and gifted kids benefit from being with other students who share their passion about, and interest in, learning.

Who is eligible for TAGcamp?

TAGcamp is open to students who have been designated as gifted and talented according to testing done by the NYC Department of Education. Alternative testing also qualifies. A student must score in the 90th percentile in at least one subject area and/or must provide two letters of recommendation. Students who lack standardized test scores may submit report cards and two teacher recommendations. The camp is designed for students from Kindergarten through Grade 6.

The TAGcamp Staff

TAGcamp Director: Jackie Stevens is a seven-year veteran to the Academy's Talented and Gifted program. Ms. Stevens is focused on challenging the children, as well as providing them with the opportunity to explore their passions and broaden their horizons while forming lasting friendships.

Payment Schedule:

1st Payment due with application: \$950
2nd Payment of \$1,000 is due 1 week after the date on the acceptance letter.

Tuition and Fees:

The total cost of TAGcamp for 2018 is \$1,950. This includes the application fee, academic courses, laboratory fees, course material cost, recreational programs, field trips and lunch.

PARC Camp (weeks 4-8) July 9-August 10, 2018

Is your family looking for that perfect blend of individualized academic instruction alongside the excitement of robust camp activities? Summer time is a chance for students to relax and re-energize, but for students with learning differences, it is also a time for them to reinforce learning skills from the previous year and learn new skills that can be instrumental to their academic success for the upcoming year. Therefore, Staten Island Academy offers a camp for children with learning differences that provides one-to-one and small group academic instruction infused with the Orton-Gillingham approach for part of the day and a tailored combination of traditional camp activities for the remaining part of the day. Our goal is to continue to support the learner's developmental needs, help families prepare for upcoming schoolwork and prevent academic regression that many students with learning differences experience in the summer. For information regarding PARC Camp, please contact Dr. David Gordon at gordon@statenislandacademy.org or call 718-303-7861.
